Aunt Selma's is a privately-owned, family business. We are proud to say that we manufacture all our freshly made products daily in our Moorestown, NJ facility. Dedicated to purchasing our boxes, bags, ribbons and cards exclusively from American suppliers, all of our chocolate, cookies and confections are hand-crafted daily, being shipped at the peak of freshness & perfection. Our pretzels, biscotti, and graham crackers are hand-dipped in the finest milk, dark or white chocolate. Our amazing cookies are made the old-fashioned way, in small batches using the finest USA ingredients. Every box, tin and bag is custom-packed by our dedicated staff.

We take pride in this artisanally created gift that was chosen especially for you!
